Kent
Enabling office people to get organized

Corporate Sketch

Shri Krishna Plastics, a name that is enjoying its stance of distinction in the field of stationary products since past 23 years is providing an organized way of functioning to its clients.

The company commenced as a family business organization, in the year 1992 and started manufacturing injection molded products. The company earned huge profits under the guidance and leadership of pragmatic leaders like Mr. Pankaj M. Parikh, Mr. Sanjay M. Parikh & Mr. Vipul M. Parikh setting benchmarks in the stationary industry.

The company offers a large product range in which each product is hand-picked to meet the most stringent global standards. The strict quality control and range of products have made it one of India's leading manufacturer, exporter & supplier of home stationery products, office stationery products, school stationery products, and other stationery products.

Adopting ethical business practices, the company has ascertained long list of satisfied clients all around the globe attaining competitive edge in the market.

The group is involved in petroleum, transport, export and manufacturing of injection molded stationery & promotional products with an annual total group turnover of INR 400 million.

Vision

To establish Shri Krishna Plastics as a global brand known for its values, assertiveness and the acumen to adapt to the ever-changing environment.

Mission

To deliver innovative, user-friendly and better-quality products at best value to the customers, keeping in mind the prosperity of the company and its stakeholders.

Infrastructure

The Company has a sound backing of its robust production facility at A-29, GIDC Estate, Amreli. It is well equipped with ultra-modern hi-tech gadgets which are required for the production of high precision products like Documents Tray, Magazine File, Writing slate, Rulers and other engineering drawing instruments like Pro circle, Set Square with Protractor etc. The infrastructure has also assisted in the bulk as well as cost effective production of the products the company deals in. All the printed products are being printed by pad printing machine, which gives more accuracy and long lasting life to the printing image.

Quality Control Policy

Shri Krishna Plastics is governed by a stringent quality control policy according to which it only deal in the products that are high on quality and performance. In compliance to the policy, the company conducts numbers of quality checks on its products to ensure long-term business relationship.
